Approved For Release 2004/05/12 CIA-RDP70B00338R000200230052-4

Page 2 Journal - Office of Legislative Counsel Monday - 24 April 1967 Met with Mr. Julian G. Sourwine, 25X1 Chief Counsel, Senate Internal Security Subcommittee, and provided him with a requested extract from the December 1966 issue of Ramparts magazine. Met with Mr. Robert Michaels, House Appro-25X1 priations Committee staff, and confirmed with him the arrangements for the Director's meeting with the CIA Subcommittee for tomorrow, Tuesday, 25 April at 9:00 a.m. Mr. Michaels noted that the Chairman would be a few minutes late arriving, but had requested Representative Andrews to chair the meeting starting at 9:00 a.m. until his arrival. Talked with Representative Glenard 25X1 Lipscomb concerning the SOS breakfast on 26 April. He suggested a short ten-minute or so talk by the Director on the NSA/CIA funding situation and then throw it open to questions. Mr. Lipscomb said he thought the group would be most appreciative of the Director's personal participation. Delivered to Mr. Blandford, House Armed 25X1 Services Committee staff, the letter from the Director to Chairman Rivers dated 21 April concerning the Pearson column of 7 April 1967. Blandford said this was precisely what they needed for their files. Talked with Jim Gehrig, Senate 25X1 Aeronautical and Space Sciences Committee staff, and gave him the current status of our knowledge of the situation surrounding the death of the Soviet cosmonaut. Contacted William Darden, Senate Armed 25X1 Services Committee staff, and briefed him on the situation concerning the Soviet cosmonaut fatality including the fact that this shot had run into difficulties from the start. Darden had not heard the news of Komarov's death and was most appreciative of our contacting him. 25X1 Contacted Bill Woodruff, Senate Appropriations Committee staff, and briefed him on the situation concerning the Soviet cosmonaut fatality including the fact that this shot had run into difficulties

his appreciation for our contact.

from the start. Woodruff said this information was most useful and expressed
